**HAKKASAN GROUP TO DEBUT EXCLUSIVE ULTRA-LOUNGE CONCEPT, HEART OF OMNIA**

*Las Vegas to Welcome Distinguished Destination March 13*

**LAS VEGAS, NV** (Feb 17, 2015) – Hakkasan Group announces its first premiere ultra-lounge concept, [Heart of OMNIA](#), located within OMNIA Nightclub at Caesars Palace set to open Friday, March 13. The VIP destination will be owned and operated by Hakkasan Group with assistance from The h.wood Group, previously acquired by the global hospitality company last June.

"We welcomed The h.wood Group to the Hakkasan Group family last Spring with the intention of joining our teams to deliver new concepts and unmatched offerings for our guests," said Nick McCabe, President of Hakkasan Group. "Heart of OMNIA is an exciting project for us as it combines the knowledge and talents from both our companies. We are thrilled to unveil this next level premiere ultra-lounge concept to the Las Vegas market as it truly will be a unique experience."

"Hakkasan Group has a thriving track record and amazing global presence and we can't think of a better represented nightlife organization in the Las Vegas market," said John Terzian, co-founder of The h.wood Group. "The h.wood Group is looking forward to an exciting future working with Hakkasan Group with Heart of OMNIA."

The seductive Heart of OMNIA is a dark, plush and intimate space highlighting a rich and sultry material palette that plays on masculine and feminine design elements. Positioned strategically next to the nightclub's entrance and adjoining the main club, Heart of OMNIA invites VIP guests to experience its powerful beauty and sophistication. The venue will welcome a legendary collection of iconic artists to perform including DJ Ruckus and Rev Run, Questlove, DJ Irie, DJ Jazzy Jeff, D-Nice and Eric D-Lux & Five to create the most immersive, open-format experience in Las Vegas.

Heart of OMNIA marks a venture between Hakkasan Group and The h.wood Group following the announcement made in June 2014 of Hakkasan Group taking over as majority stakeholder in the Los Angeles based nightlife and event production company. The h.wood Group, created by founders John Terzian, Brian Toll and actor David Arquette, includes various nightlife venues that are now under Hakkasan Group's hospitality portfolio: Bootsy Bellows in both Los Angeles (currently undergoing a major renovation) and Aspen, Hooray Henry's, THE NICE GUY, Blind Dragon and SHOREbar. The h.wood Group remains headquartered in Los Angeles as a subsidiary of Hakkasan Group.
